NEW

TFR Ultra Super Green

Highly concentrated traffic film remover with super wax formulation uses a new ingredient to make it super effective, super user-friendly and super biodegradable

Sizes: 25lt, 210lt or 1000lt

- Extremely powerful, yet kind to paintwork
- More highly foaming and more user friendly
- Slices through grime, leaving super wax shine
- Shiny, streak-free finish, quick and easy to use
- Readily biodegradable and economical
- No unpleasant odour
- Contains no NTA (identified as cancer causing)

GREAT DEALS
on all leading brands
of steam cleaner!

**Heavy duty stainless
steel steam cleaner**
240V, 12ltr/min flow,
1500psi

LIMITED OFFER!

Only £1899 +VAT

WHILE STOCKS LAST!

If you are not buying your TFR from Jennychem check that the product you are buying does not contain NTA.

- Jennychem does not use NTA (Nitrilotriacetic Acid)
- NTA has been identified as a category 3 carcinogen
- Most TFR manufacturers use cheap NTA in their products
- We have reformulated using a new super green ingredient in all our TFRs and now our TFR Ultra Super Green is the safest and most effective TFR on the market!
